Written testimony of Karen H. Chadderton, Administrator, of Riverside Health and Rehabilitation Center concerning:

S.B. No. 104 (RAISED) AN ACT PROVIDING FINANCIAL RELIEF TO NURSING HOMES FOR UNCOMPENSATED CARE.

Good afternoon Senator Slossberg, Representative Abercrombie and to the members of the Human Services Committee. My name is Karen Chadderton. I am Administrator at Riverside Health and Rehabilitation Center in East Hartford, Connecticut. Riverside is a longstanding provider of nursing care in the community of East Hartford. Riverside has 345 beds, employees 450 staff and is the recipient of several Quality Awards. I am here this afternoon to ask the Human Services Committee for your support for S.B. No. 104 (RAISED) AN ACT PROVIDING FINANCIAL RELIEF TO NURSING HOMES FOR UNCOMPENSATED CARE. This bill is being advanced by the Connecticut Association of Health Care Facilities (CAHCF), of which our organization is a member.

This legislation is badly needed to address the persistent and worsening problem of excessive delays in the long term care Medicaid eligibility determination process at the Connecticut Department of Social Services (DSS) for skilled nursing facilities. Connecticut skilled nursing facilities and their residents are harmed by excessive delays in the eligibility determination process. As Medicaid applicants residing in nursing facilities await final disposition of their requests for state help, Connecticut nursing homes are simultaneously providing uncompensated care for periods of time often exceeding federal standard of promptness rules. This bill addresses this situation by requiring advanced payments for the money owed by the state. The bill also addresses the fundamental unfairness of requiring nursing facilities to pay provider taxes, penalties, interest and fees for care provided to Medicaid applicants and recipients, when no payment is being received from Medicaid for providing care due to excessive delays.

Our nursing home is harmed by these excessive Medicaid eligibility and payment delays. Riverside is owed over \$1,000,000.00 from approximately 29 pending cases and cases that have been granted but there is further delay in getting these cases pay started.

CAHCF applauds and encourages the DSS efforts to modernize its eligibility systems and for their commitment to hire badly-needed eligibility staff to address delays across the entire public and medical assistance spectrum. However, the state's initiatives are not yet providing relief, and we are concerned the situation may continue to worsen. Please pass this bill. Our nursing home needs your help.

I would be happy to answer any questions you may have.

Sincerely,

Karen H. Chadderton
Administrator
